**CIRCULAR TO PARENTS**

8 June 2023

Dear Parent,

**"Success is not measured by what you accomplish, but by the person you become in the process." – Orison Swett**

Annual Prize Day is one of the most anticipated events of the year. On this day, we not only honor the academic achievements of our students, but also celebrate the transformative journey of each individual, as they evolve from boys into men who matter. We take pride in their accomplishments, which serve as a testament to our shared vision of becoming the 'Best among Scholars'. None of this would have been possible without the strong partnership between the Home and the School.

We are delighted to inform you that the Annual Prize Day 2023, 'Stars of the Evening', will be held on Thursday, 15<sup>th</sup> June, 2023.

We are pleased to announce that our keynote speaker for the evening will be Mr. George Abraham, an Inspirational Speaker, Social Entrepreneur, and a Disability Activist. His inspirational words and valuable insights are sure to leave a lasting impact on our students and enrich their lives. Do take a moment to click on the link [https://www.georgeabraham.in/?page\\_id=9](https://www.georgeabraham.in/?page_id=9) and glance through his incredibly impressive profile.

To ensure the wider participation of parents, guardians, and well-wishers, the entire program will be live-streamed from 4:30 p.m. to 6:30 p.m. Please find the link below to watch the event live-

**Please note that the School will disperse early on 15<sup>th</sup> June. Buses will leave the campus by 12:15 p.m. There will be a delay of 15 minutes in the drop off time for the Kindergarteners. We request the parents of students who commute by their own transport to make necessary arrangements. However, the prize winners and participants for the event will stay back in School under the supervision of their teachers- in charge. Lunch will be provided by School.**

Thank you for your continued support

Warm Wishes,

**Srivalsan Murugan
